mid-century modern REIMAGINED

Step inside this artfully preserved historic home decked out in FLOR rugs.

One of the first homes designed by the famed Wexler & Harrison architecture firm, Wexler '54 is a stunning example of post and beam construction. H3K Home + Design set out to preserve its Mid-Century elegance for its new homeowners, taking the design of this home back to its roots while creating a space that supports modern-day living.

H3K Home + Design

modernism week

We recently sat down with Howard Hawkes and Kevin Kemper from H3K Home + Design to learn about their redesign of the Wexler '54 home.

TELL US MORE ABOUT THE ORIGINAL ARCHITECTS OF THIS HOME.

Donald Wexler and Richard Harrison were a new modernist master architectural team in the early 1950s. They created designs that defined the desert modern lifestyle and the influence of their work continues today.

WHAT INSPIRED THE RENOVATION?

When the client met us, [the house] was very contemporary. Now, it's more of an "inspired by" 1954 design, picking up some of the different elements of that period so you feel like you're walking back in time yet you're not walking into a museum.

WHY WAS FLOR PERFECT FOR A MID-CENTURY MODERN LOOK?

FLOR captures the different materials, textures, and patterns often seen in Mid-Century Modern design. In a way, having a FLOR rug is no different than having a piece of art on the wall with all of the patterns, colors, and different things you can do with it.

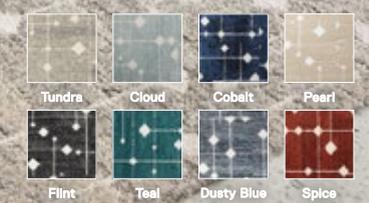

HOW ARE FLOR RUGS A GOOD FIT FOR YOUR CLIENT'S LIFESTYLE?

In Palm Springs, it's an indoor/outdoor lifestyle. The sliding door is open, people run in and out all day long, and the last thing they want is to worry about any type of maintenance. FLOR was perfect in terms of making that happen.

RETURN AND RECYCLE

Send Us Your Old Carpet Tiles And We Will Recycle Them

At FLOR, we aim to do business in ways that give back whatever is taken from the Earth. We've worked hard to make sure all of our carpet tiles are manufactured with renewable energy, and recyclable too. Through our complimentary Return & Recycle Program, we keep millions of pounds of carpet out of landfills each year.

act for the future

Your Rug, Your Way.

We believe a rug should be able to handle daily life and do it with style. The secret to our good looks is individual carpet tiles. If you want to update the style or change the size, no problem. Just replace a few tiles, not the whole rug.

1. SAMPLES
See a style you like? Order our 6" samples for \$2 each. Visit [FLOR.com/samples](https://flor.com/samples) to get started.

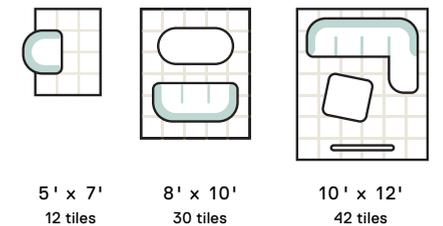

2. ORDER
Once you place your order, most ship within 2 business days and arrive to your home in 5-7 business days.

3. FLORDOTS
These adhesives stick to the bottom of each tile, not to your floor. With only two components, one person can assemble the rug.

4. EASY CLEANING
The tiles come apart for easy cleaning—just loosen the FLORdot, rinse tile in your sink, and put it back in place.

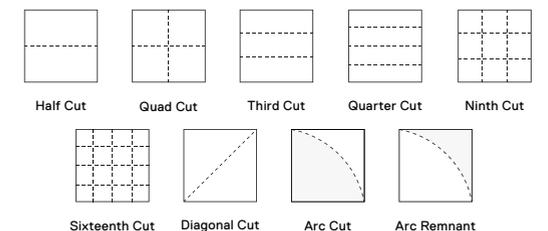

STANDARD & CUSTOM SIZES

Select a standard rug size or enter your room dimensions into our tile calculator for a custom size. FLOR tiles are 19.7" or 50cm square. Visit us online at [FLOR.com/tile-calculator](https://flor.com/tile-calculator).
