Your Rug, Your Way.

We believe a rug should be able to handle daily life and do it with style. The secret to our good looks is individual carpet tiles. If you want to update the style or change the size, no problem. Just replace a few tiles, not the whole rug.

1. SAMPLES
See a style you like? Order our 6" samples for \$2 each. Visit [FLOR.com/samples](https://flor.com/samples) to get started.

2. ORDER
Once you place your order, most ship within 2 business days and arrive to your home in 5-7 business days.

3. FLORDOTS
These adhesives stick to the bottom of each tile, not to your floor. With only two components, one person can assemble the rug.

4. EASY CLEANING
The tiles come apart for easy cleaning—just loosen the FLORdot, rinse tile in your sink, and put it back in place.

STANDARD & CUSTOM SIZES

Select a standard rug size or enter your room dimensions into our tile calculator for a custom size. FLOR tiles are 19.7" or 50cm square. Visit us online at [FLOR.com/tile-calculator](https://flor.com/tile-calculator).

CUTTING SERVICES

Cuts can help you get the best look for your space. Each cut is \$3.50 per tile. We also offer complimentary design services by phone or email.

Candace Mary Interiors

Meet Candace Griffin, founder and principal designer of Candace Mary Interiors, a Chicago-based boutique staging and interior design concept. Candace is known for capturing the personality of a space and mixing timeless pieces with modern elements. Read more about Candace Mary Interiors and its unique design process.

TELL US ABOUT YOURSELF AND YOUR DESIGN PHILOSOPHY.

I got my start in staging, which gave me hands-on experience designing clients' spaces. In terms of philosophy, I'm someone who really loves lived-in spaces—cozy, inviting areas that make people want to stay awhile. But I also like them to look polished, so we love to blend those two worlds while tying in our clients' personalities through art, rugs, texture, and layers.

HOW DO YOU HIGHLIGHT THE PERSONALITIES OF EACH SPACE YOU DESIGN TO MAKE THEM UNIQUE?

We not only ask our clients about what they want to see in their space but also how they live in their space. Do they like to entertain? Have children? Love or hate color? These questions help guide our process. It's very collaborative, and once we feel we have a good grasp on who they are, we can really work our magic.

WHAT MADE FLOR A GOOD FIT FOR THIS PROJECT?

The homeowners love color, layering, and texture, which we also love, and they are huge fans of FLOR. They love being able to pull up a single tile after a spill or change the design by installing the tiles a different way. The property also has some interesting spacing elements that couldn't work with a rug with a set size. FLOR allowed us to pick the exact number of tiles we needed.

Share your photos with #myFLOR for a chance to be featured in our next catalog.
